## Ode to a Bower Aide

HR  
373.1  
BOW  
1975  
C.1

Here's to the Bower aid,  
Over-worked and underpaid.  
How you help us with Reading and Math  
As well as to many a student you have given a bath.  
Your duties, which are many and varied,  
For the most part leave you harried.  
Yet throughout all this, you still have a smile,  
And for our students you'd walk a mile.  
Without you, we teachers would surely be lost,  
You'd be impossible to replace at any cost.  
For all your unselfish work to Bower's yellow and blue,  
This 1975 yearbook is lovingly dedicated to you,

Thank you, Ernestine, Judi, Carol, Stella, Dot, Betty, Judy and Penny.
